

# Some Things Go Together Perfectly

Jasmine: *A tickled onion!*

Aladdin: *Hey, we could be a double act!*

ALADDIN

- 1 Hey! It never occurred to me  
How easy a day could be,  
But you have made it better, by far!

JASMINE

Say! It certainly seemed to me  
You needed some company,  
It's truly been a pleasure, so far!

ALL

CHORUS *Bangers and mash,  
Carrots and peas,  
Need one another like a cracker needs cheese.  
Bacon and eggs,  
Strawberries and cream,  
Some things go together perfectly!*

ALADDIN – *an aside*

- 2 Wow! There's something about her smile,  
A girl with a certain style, and how  
I'm glad I've met her, yes sir!  
My! She's taken me by surprise,  
The moment I saw those eyes, and now  
I can't forget her, no sir!

CHORUS (ALL)

JASMINE – *an aside*

- 3 Boy! It's such an amazing day,  
I don't even know his name, but WOW,  
I'm glad I met him – drop jaw!  
He's a likeable kind of guy,  
It's hit me between the eyes, and now  
I won't forget him, for sure!

CHORUS x 2 (ALL)

ALADDIN & JASMINE

*Some things go together perfectly!*
