

# Wishy Washy Laun-d-ry

Widow T: *I can see it all now, we'll be just like 'Glossy Goss' magazine. All the celebs will bring their dirty laundry to us!*

CHORUS *Working your socks off?  
Feeling you've not stopped?  
Tired of never getting all the help you need?  
You can be free!  
Time to try your Wishy Washy Laun-d-ry.  
Bring us your troubles,  
We've got the bubbles!  
Widow Twankey's got herself a new machine –  
Cleans like a dream!  
Gets your washing whiter than you've ever seen!*

1 Mondays through to Fridays,  
Every day's a 'wash 'n' dry' day,  
We're the best in town, (best in town).  
Leave us all your dirties,  
'Cause we're here from seven thirty  
And we never hang around!

CHORUS

2 You will not alarm us  
With your polka-dot pyjamas,  
'Cause we've seen it all, (seen it all).  
Lingerie and bloomers  
That could start a thousand rumours,  
But we're too professional!

CHORUS

3 Bring your suits and dresses,  
When we get them on the presses  
They'll be good as new, (good as new).  
No one does it better  
Than your local launderette-a,  
Not from here to Timbuktu!

CHORUS *(Repeat last line)*
