

BUNN E. BUGS' BEATBOX RAP

BUNN E. BUGS I'm Bunn E. Bugs, and I'm king of the rap,
I got da moves and I got the cap,
So why don't you all sing along
To my juicy, 24-carrot song?
Just move in time to the Bunn E. Bugs' snap
And if you can't snap then just clap!

BUNNIES Yeah, if you can't snap then just clap!
Just munch with da crunch cos we gotta hunch
That this is a most superior lunch,
From the very first bite it'll make you dribble,
So come on now, come an' have a nibble!
