

WELCOME PACK FOR PARENTS

Year 2

2026-2027

“Start children off on the way they should go, and even when they are old they will not turn from it.”—Proverbs 22:6

Welcome

We are delighted to warmly welcome you and your children to Year 2. We are so excited to begin this wonderful journey of learning and discovery together! Year 2 is a special year filled with new experiences, growing confidence and plenty of opportunities to learn, explore and have fun. Our dedicated team are committed to creating a safe, nurturing and welcoming environment where every child feels valued and supported.

Our class value this year is Hope. We will encourage the children to believe in themselves, stay positive through challenges and look forward to the future with confidence.

Our significant role model this year is Florence Nightingale, whose courage, compassion and determination continue to inspire us. We will encourage the children to follow her example by caring for others, showing kindness and never giving up when faced with challenges.

Throughout the year, we will develop strong foundations in literacy, numeracy and creative learning, while nurturing independence, friendships and teamwork. We value the partnership between home and school and look forward to working together to make this a happy, successful and memorable year for every child.

Meet the Staff

Our Year 2 teaching team:

Miss Sh Sumner

Miss M Shaw

Mr J Hart

Miss Jeffreys

Our School Day

Children will enter school via the gate by the KS1 playground.

8.35 – Doors open

10.25 - 10.45 – Collective Worship

10.45 -11.00 – Break times

12.00 – 13.00 – Lunchtime

15.15 – End of school day

Equipment and Uniform

In Year 2, no specific equipment is required to be brought into school. However, children are asked to bring in their book bag every day so that they can engage in guided reading and independent reading. The children's diaries will be signed on a Monday and Friday.

Water bottle

Children are requested to bring a clearly labelled water bottle to school with them. This will be kept near their desk and must only be filled with water and not juice/cordial.

School Dinners

Pupils can choose to have a school dinner or bring a healthy packed lunch from home. The lunch menu must be chosen at home. Lunches are free of charge in Year 2.

KS1 Fruit

Children are provided with a piece of fruit every day at break time. Alternatively, they may bring a healthy snack from home.

Please remember that we are a nut-free school.

Timetable & Curriculum Overview

Autumn term timetable- Year 2 2026-2027

	8.35-8.45 am	8.45-9a m	9.00-9.25 am	9.25-10.25M	10.25-10.45 am	10.45-11am	11am-12pm	12-1pm	1.00-1.15pm	1.15-2.15pm	2.15-3pm	3.00-3.15pm
Monday	Registration	Mastering Number	Guided Reading/Phonics	English	Collective Worship Monday: Values Wednesday: Picture News Interventions/ IEP Work- Tuesday/ Thursday/ Friday	Break	Maths	Lunch	Phonics-phase 5 review			
Tuesday				English			Maths		PE	Music	Class Read	
Wednesday				English			Maths		PPA- Covered by DS			
Thursday				English			Maths		DEAR Time	PHSE Letter join	PE	
Friday				Spelling-teach/handwriting			Maths		Phonics-phase 5 review	Art/ D&T Handwriting	Class Read	
		Written Arithmetic Spelling test							Phonics-phase 5 review	Computing	History/ Geography	Time to Tune in (Music)

Our curriculum overviews can be found on the class pages on the school website.

P.E.

P.E. will take place every Monday and Wednesday. Children will be required to come into school in their P.E. kits on these days.

Swimming

Swimming will take place every Friday in the spring term only. Please ensure swimming kits are brought into school on these days. This must include a swimming hat.

Mastering Number

Each morning, children will spend 15 minutes developing their understanding of number through Mastery Number. These short, focused sessions will help children build confidence, fluency and a deeper understanding of key mathematical concepts.

Drop Everything and Read (D.E.A.R.)

In Autumn term, Children will engage in independent reading from 1:00pm until 1:15pm each Wednesday. From Spring term, DEaR time will take place daily.

Phonics/ Spelling/ Guided Reading

Guided Reading takes place each morning for 25 minutes from Monday to Thursday using the Pathways to Read scheme. In the Autumn term, Phonics will take place for 15 minutes each day, following Little Wandle Letters and Sounds Revised

What is phonics?

Phonics is a way of teaching children to read quickly and skilfully. They are taught how to:

- recognise the sounds that each individual letter makes;
- identify the sounds that different combinations of letters make - such as 'sh' or 'ee'; and
- blend these sounds together from left to right to make a word e.g sh-ee-p, sheep.

Children can then use this knowledge to 'de-code' new words that they hear or see. This is the first important step in learning to read.

In Year 2, it is important that we continue to use phonics to develop reading skills.

*depending on original accent

Accelerated Reader

When it is appropriate for each individual child, they will begin access Accelerated Reader. This allows the children take ownership over their reading books. Children will choose books according to their reading zone. Each half term, children will take an Accelerated Star Reader Test which will determine which “zone” (ZPD) they should be choosing books from. All the books in our class library are labelled in this way to be accessible for the children.

Once children have read their school reading book twice to an adult, children will take a short comprehension quiz on the iPad to check their understanding of the book. This will generate a score and children can then choose a new book to take home that is within their ZPD. Therefore, there is no set day when books are changed and children need to quiz and change their own reading books as needed. We aim for all children to be quizzing at least once a week.

Please could we ask that you provide your child with a book bag or folder to keep reading books neat and safe.

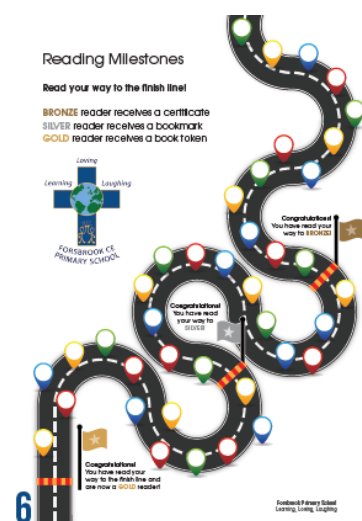

The sharing book

If children are to become lifelong readers, it is essential that they are encouraged to read for pleasure. The desire of wanting to read will help with the skill of reading. To help foster a love of reading, children should take a book home that they can share and enjoy with their parent/carer. Involving the children in the choice of this book is important. These books offer a wealth of opportunities for talking about the pictures and enjoying the story. It is important to offer a variety of books, including non-fiction, so they can enjoy a range of writing. Parents/carers need to understand that they should not expect their child to read this book independently and certainly should not try to get their child to do so. The book is for the parent/carer to read to or with the child. Again, it is good to talk about the book with the child, but important not to turn the discussion into a test. The goal is enjoyment. Children will choose a book to bring home from our Rotary Trolley children will have the option to swap this book once a week.

Homework

Reading

We ask that children read at least 4 times per week. Please sign your child's diary to indicate when they have read. On a Friday morning, we will check your child's diary and stamp the bottom of the page if they have read at least 4 times. This will then gain them a star on the 'Reading Road to success' (which can be found in their reading diary). For every week your child reads at least four times, they will take another step along the road. When they eventually get to the bronze finish line, they will receive a certificate. Their next goal is then silver, where they will receive a special bookmark, and then Gold. This is the ultimate goal, where they receive a book token.

Spelling

Each week, we will focus on a new spelling rule. Every Friday children will receive a list of spellings including some common exception words.

Children will be tested on these spellings the following Friday.

Please encourage your child to regularly practice their spellings at home.

Behaviour

We have a restorative approach towards behaviour which is underpinned by our school values: Love, Joy, Peace, Hope, Friendship, Compassion, Respect, Courage.

Our behaviour policy can be found on the school website

<https://forsbrookprimaryschool.co.uk/policies>

Additional Information

Trips and residentials

In Year 2 the children will go on a minimum of two school trips. For example, the children may go to: Conkers and The Antient High house. These trips are linked closely to what the children are learning throughout Year 2.

How you can help

- It is still important to hear your child read each week. Talk to them about what they are reading and encourage a set time each day to read at home so that it becomes part of their routine.
- Support your child in learning the weekly spelling rule and applying this rule to their weekly spellings.
- Talk to your child about what they are learning in school.

And Finally, we operate an open-door policy. If you have any concerns or questions, please do not hesitate to contact us. We want to work in partnership with you to ensure that your child has a great last year in their primary setting and works hard to achieve their potential.

We would like to take this opportunity to express our excitement for the upcoming academic year. We are looking forward to helping your child to grow, develop and flourish to enable them to reach their full potential. We have lots of exciting opportunities and activities planned, we look forward to a fun, engaging and successful year ahead. We feel that it is a privilege to be a part of your child's learning journey and look forward to working in partnership with yourselves.

From the,

Year 2 Team!
